St. Xavier's High School

Sector 71, S.A.S. Nagar

St. Xavier's Mohali is a spinner of tomorrow's writers, teachers, doctors, engineers, industrialists and politicians. It's a high hope and a big dream of young minds. It is a huge landscape of imagination for young creative minds and a great educational institution of striving teachers and dynamic Principal Mrs. Georgina Roy, who deserve a pat on their shoulders for making St. Xavier's Mohali a pride for the city.

Mr. A. J. Gosain
Founder & Rector

Mr. I. William
Chairman

I am humbled and grateful to the Almighty and our Founder, Mr. Andrew J. Gosain to have vested in me the responsibility to be a part of this sharing and serving in the field of education. I need your prayers and good wishes in this service to humanity. It is an honour to see the Xavarians excelling in the field of academics as the Class 10 and 12 Council results exemplify and prowess shown in co-curricular activities. God bless all and God bless St. Xavier's Schools and Hostel.

Parents are constantly on a journey of exploration which is hindered with problems, surprises, complications and joys. Surely the common goal of every parent would be to raise a positive value based child and for that we as parents have to give them unconditional love and quality time.
